

32nd International European Conference on Parallel and Distributed Computing (Euro-Par 2026)

<https://2026.euro-par.org/>

Call for Sponsorship

The International European Conference on Parallel and Distributed Computing (**Euro-Par**) is a flagship event in the High-Performance Computing, Parallel, and Distributed Computing community. Building on more than three decades of success, Euro-Par provides an inspiring week of scientific exchange that spans the full spectrum of the field - from foundational algorithms to end-to-end applications; from low-power edge devices to exascale systems and cloud-to-edge federations; and from architectural innovations and compiler advances to emerging programming models, performance engineering, reproducibility, and sustainability.

Dates: 24-28 August 2026

Location: University of Pisa, Pisa, Italy

In preparation for Euro-Par 2026, [we are seeking corporate sponsors to support this premier event](#). By partnering with Euro-Par 2026, your company will gain enhanced visibility and recognition within the international scientific community and among conference participants. We offer three sponsorship packages – **Platinum**, **Gold**, and **Silver** - each providing a distinct set of benefits and opportunities. These packages include branding exposure, exhibition space options, complimentary registrations, and speaking opportunities. In addition, the local organizing committee is happy to collaborate with you to design a customized sponsorship package tailored to your company's specific needs and objectives. Your partnership will not only contribute to the success of this prestigious event but also showcase your commitment to fostering research excellence and supporting the global scientific community.

✓ **Platinum:** 4,500 Euro + 22% VAT. It includes:

- three complimentary registrations for the entire conference (5 days)
- your company logo on the conference website (largest logo for platinum visibility)
- a company presentation during the Industrial Session (held during the main conference)
- a company desk during the conference, where you can display posters and promotional materials, and engage with participants to establish professional connections.
- access to the attendee list, subject to participants' consent and applicable data protection regulations

✓ **Gold:** 3,000 Euro + 22% VAT. It includes:

- two complimentary registrations for the entire conference (5 days)
- your company logo on the conference website (large logo for gold visibility),
- a company presentation during the Industrial Session (held during the main conference).
- a company desk during the conference, where you can display posters and promotional materials, and engage with participants to establish professional connections

✓ **Silver:** 1,500 Euro + 22% VAT. It includes:

- one complimentary registration for the entire conference (5 days)
- your company logo on the conference website (silver visibility),
- a company presentation during the Industrial Session (held during the main conference)

Expected attendance

Euro-Par is a well-established event with strong European roots and a broad audience of researchers and practitioners worldwide. The number of people involved in the conference, with different roles, can be estimated as: about +250 people plus +100 PC members

Thank you for your consideration.
